Dear Parent/Carer,

AUTUMN TERM CLUBS

If your child would like to join any of the clubs listed below, please complete the Google Form [here](#) by Thursday 9th September 2021. A text will be sent out on Friday 10th September to say which children are in which club and whether anybody is on a waiting list.

Due to the cost of external coaching and to increase commitment levels to the clubs, we are charging £1 per session for these. As this term is a 12 week block, rather than paying weekly parents and carers may pay an upfront amount of £10 to cover the whole block if they wish to. Mr O Crooks will be delivering PE sessions in school for the upcoming year, he is a highly experienced sports coach and has taught in schools for many years. There will be no charge for lunchtime clubs and clubs run by school staff in their own time, just for those using external providers.

In addition to the school organised clubs parents can access the clubs organised by Premier Active, our before and after school provider. These clubs incur a cost of £4 and should be booked and paid for with the company directly using the link [here](#). Thank you.

Further clubs may be added to the list at a later date.
