Sports Premium Report 2017/2018

Introduction

The Sports Premium funding, which followed on from the successful Schools Sports Partnership programme aims to provide a commitment to ensure high continued standards of PE and school sports delivery. The funding allows a school to co-ordinate and target support and resources to enhance the provision for PE and school sports for all children in its setting.

The government has clear guidelines for how the money should be spent effectively;

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- *develop or add to the PE and sport activities that your school already offers*
- *make improvements now that will benefit pupils joining the school in future years*

For example, you can use your funding to:

- *hire qualified sports coaches to work with teachers*
- *provide existing staff with training or resources to help them teach PE and sport more effectively*
- *introduce new sports or activities and encourage more pupils to take up sport*
- *support and involve the least active children by running or extending school sports clubs and holiday clubs*
- *run sport competitions*
- *increase pupils' participation in the School Games initiative*
- *run sports activities with other schools*

Our aims – what we want to achieve

- Increased participation of pupils of all ages and backgrounds in a wide range of activities and pastimes.
- Increased participation, profile and success in a range of competitive school sports events.
- Growth of extra-curricular provision to provide a range of sporting activities to all pupils.
- Increased and improved links with other schools and a range of local partners to enhance PE and school sport in our setting.
- Development of an exclusive, innovative physical education curriculum that engages all pupil's irrespective of background or ability.
- Develop pupils awareness of the health benefits of PE and school sports and also those factors which undermine a pupil's health and well-being eg smoking, obesity etc
- Ensure that pupils are aware of the benefits of PE and school sports with regard to personal and social development.

How much do we get?

2017 - 2018	
Amount	£16000 + £5 per pupil Approx. £17000

Initiative	Expected outcomes	Expected Cost -approx	Impact – how will this be measured	What has been done?
Partnership with other agencies	School to benefit from advice, guidance and development opportunities from the School Games Organiser.	£1500	Increased awareness of school and national initiatives. Access to high quality CPD Opportunities to extend breadth of provision in school.	School represented all the CPD training. Support and opportunities from ESSP continues to be excellent
	Strong links with Burton Albion Football club to enhance all round provision. Provision of extra-curricular activities, CPD and staff support, specialist curriculum support e.g. Dance	£3000	Participation levels across school Targeting of various groups across school especially the less active Staff skills levels increased and their ability to teach an ever increasing range of sports and activities.	Clubs well attended. New schools link met with SW to design a bespoke programme of events and opportunities eg curriculum days, targeted lunch time clubs
	Links with other local providers e.g. leisure centres to provide coaching and use of facilities to enhance curriculum provision – see below	£1500 – mainly transport costs	Participation levels across school Targeting of various groups across school especially the less active Staff skills levels increased and their ability to teach an ever increasing range of sports and activities.	See below re gymnastics
Partnership with other schools	PE subject leader to attend meetings organised by the Burton Co-operative Learning Trust. PE subject leader to attend meetings organised by the Dove Valley Sports association.	£500 - supply	Networking and sharing of experience and expertise. Increased participation opportunities for all children to be established including competitive fixtures.	BCLT now disbanded but school still takes part in some events. SW attended all Dove Valley meetings
Increase of after school clubs and provision	More opportunities to be made available for children to attend after school clubs. Look at arrangements with other external providers to offer opportunities on all evenings. New opportunities to target non-team playing members as well as widening the range of activities on offer.	£500	Nurture a lifelong participation in physical activity and sport. Provide opportunities for children to experience a wide range of activities ESBC hockey coaching weekly	Year 5 to take part in Move and Learn project – around healthy eating and fitness. ESBC hockey coach in each week. Burton Albion to lead Friday lunchtime club for the children in year 5 and 6 who don't

				participate elsewhere.
Development of curriculum provision	Partnership with local school to enable pupils to have experience of Forest School approach	£1500	The curriculum provided to enhance provision especially around outdoor and adventurous activities – year 3 to attend Autumn term 2017	Year 3 completed 6 week project inc outdoor and adventurous activities Autumn 2017
Leadership training for pupils	Further train and develop lunchtime play leaders. Develop a new Year 6 sports council who will organise meetings and run a budget in order to support the development of sport in our school.	£250 – equipment and kit only	Children to gain leadership skills and the confidence that delivering these develops. Children recognise that participation in sport can be via a range of pathways.	Sports Leaders trained September 2017 – lead activities on Tuesday and Thursday
More competitive sport opportunities	Aim is to ensure that more children participate in competitive matches, fixtures and events. Increased range of competitions to enable this to happen.	£1000 - transport	School to continue to improve data collection around sport and participation to be able to measure involvement and opportunities. School to ensure participation of any groups or individuals that are hard to engage through flexible timings and widening the range of opportunities.	School in top 5 participating schools across Burton according to ESSP figures – involved in new county and local competitions.
Visits to local sports clubs and venues.	Children experience the chance to visit local clubs. Aim is to widen the outlook of pupils by looking at a wide range to hopefully encourage participation.	£1000	Individuals to be inspired to take up a sport or increase participation, St George's Park. Pirelli Stadium, Shobnall athletics, local gym clubs etc	Area to still work on – though we have used Uttoxeter Gym club – see below
Data Collection	School to develop data collection around sport and participation to be able to measure involvement and opportunities.	£500 – supply costs	Data to show areas of strength and weakness in terms of sports participation and this to be used in action planning. Data to be shared with governors.	Data summary being prepared for sports mark awards due June 2018. Used to target pupils
Playground barriers	Create a temporary sports area on the playground by using purpose built plastic barriers.	£2500	School to develop use of space and function of the playground area to maximise opportunities for curricular, extra-curricular and playtime physical activity	Barriers bought for £1500 – used in curriculum time and at breaktimes.
Gymnastics provision	In order to provide safe and better resourced gymnastics programme school to work with local gymnastics clubs to	£1500	School staff to work alongside trained gymnastics coaches.	All KS2 year groups spent a two hour session at Uttoxeter

	provide curriculum programme.		Children to experience gymnastics lessons in a fully equipped purpose built gym.	Gym Club with their coach – CPD for staff and an excellent opportunity for our pupils.

Meeting National Curriculum requirements for swimming and water safety – As at January 2018	Pupils in Year 5 complete swimming programme
What percentage of our current Y6 cohort swim competently, confidently and proficiently over a distance of 25metres?	77%
What percentage of our current Y6 cohort use a range of strokes effectively? (e.g. front crawl, backstroke and breaststroke)	74%
What percentage of our current Y6 cohort perform safe self-rescue in different water-based activities?	46%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No – there is no provision in terms of local facility to provide effective catch up programmes. However the school is continuing to explore options.
