2nd July 2021

Dear Parents/Carers,

A SURPRISE FOR MR WEBSTER

On Friday 16th July, we are inviting all of the children to come to school dressed as a singer/member of the band from the past or present. Mr Webster is an avid music fan (admittedly this may not include the current chart music!) so we will be challenging him to name some of the costumes that he will encounter on the day! We hope that this can be a little bit of fun for the children and the staff at the end of another turbulent academic year.

We are hoping to keep this event a secret so that we can surprise him on the day. If you have any questions then please contact Mrs Scott in the office or ask me on the gate.

If you do talk about this with your child could we please ask that they keep it a secret!

This letter has been placed on the parent page on the website to avoid detection by a certain Principal!

We hope that we can make this an enjoyable day for the children and staff. If your child would normally have PE on a Friday, we will organise an orienteering lesson that can be completed without the need for a sports kit.

Yours sincerely

Mrs J. Lowe
