## Sports Premium Report 2016

### Introduction

The Sports Premium funding, which followed on from the successful Schools Sports Partnership programme aims to provide a commitment to ensure high continued standards of PE and school sports delivery. The funding allows a school to co-ordinate and target support and resources to enhance the provision for PE and school sports for all children in its setting.

The government has clear guidelines for how the money should be spent effectively;

*Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.*

*This means that you should use the premium to:*

- *develop or add to the PE and sport activities that your school already offers*
- *make improvements now that will benefit pupils joining the school in future years*

*For example, you can use your funding to:*

- *hire qualified sports coaches to work with teachers*
- *provide existing staff with training or resources to help them teach PE and sport more effectively*
- *introduce new sports or activities and encourage more pupils to take up sport*
- *support and involve the least active children by running or extending school sports clubs and holiday clubs*
- *run sport competitions*
- *increase pupils' participation in the School Games initiative*
- *run sports activities with other schools.*

### Our aims – what we want to achieve

- Increased participation of pupils of all ages and backgrounds in a wide range of activities and pastimes.
- Increased participation, profile and success in a range of competitive school sports events.
- Growth of extra-curricular provision to provide a range of sporting activities to all pupils.
- Increased and improved links with other schools and a range of local partners to enhance PE and school sport in our setting.

- Development of an exclusive, innovative physical education curriculum that engages all pupil's irrespective of background or ability.
- Develop pupils awareness of the health benefits of PE and school sports and also those factors which undermine a pupil's health and well-being e.g. smoking, obesity etc
- Ensure that pupils are aware of the benefits of PE and school sports with regard to personal and social development.

### How much do we get?

2015 - 2016		2016 - 2017	
Amount	£8000 + £5 per pupil Approx. £8800	Amount	£8000 + £5 per pupil Approx. £9000

### How the funding was spent. Impact – How we will measure outcomes?

As a school we are expected to identify the following when reporting on how we spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

- How much PE and sport premium funding we received for this academic year
- A full breakdown of how we've spent or will spend the funding this year
- The effect of the premium on pupils' PE and sport participation and attainment
- How we will make sure these improvements are sustainable.

Initiative	Expected outcomes <i>What was it designed to do?</i> <i>How many pupils were involved?</i>	Impact
Partnership with other agencies	School benefited from advice and development opportunities from the School Games Organiser. Strong links with Burton Albion Football club to enhance all round provision.	<ul style="list-style-type: none"> <li>• Support and guidance around CPD provision.</li> <li>• Support and guidance around applying for additional funding</li> <li>• Regular meetings with Burton Albion Community Trust allowing access to highly trained coaches.</li> </ul>
Partnership with other schools	PE subject leader attended meetings organised by the Burton Co-operative Learning Trust. PE subject leader attended meetings organised by the Dove Valley Sports association.	<ul style="list-style-type: none"> <li>• As a member of the Dove Valley Sports association school has access to sporting opportunities across the year – football, netball, hockey, rugby, cricket, rounders, athletics)</li> <li>• School meets with others in Burton Co-operative Learning Trust to enhance provision and organise events especially for vulnerable groups.</li> </ul>
Increase of after school clubs and provision	More opportunities are made available for children to attend after school clubs. New opportunities to target non team playing members.	<ul style="list-style-type: none"> <li>• Three after school clubs run weekly for children in years 1 – 6 covering a wide range of sports.</li> <li>• Range of activities widened and targeted at children who do not always participate,</li> </ul>
Development of curriculum provision	Burton Albion Community Trust partnered with the Football League	<ul style="list-style-type: none"> <li>• 40 Year 5 pupils benefited from a six week programme.</li> <li>• Children educated in a range of</li> </ul>

	Trust and Ferrero UK to launch the + Sport Move and Learn Project, a national school-based educational programme for children aged 9-10, as part of the global Kinder + Sport initiative.	approaches to develop attitude and approach to PE.
Leadership training for pupils	Our older children will be trained as sports/play leaders to lead activities at lunchtimes and possibly at playtimes.	<ul style="list-style-type: none"> <li>• Children trained over 3 afternoons and then given the opportunity to lead activities.</li> <li>• Over ¾ of Year 6 took part in the training.</li> </ul>
More competitive sport opportunities	Aim is to ensure that more children participate in competitive matches, fixtures and events. Increased range of competitions to enable this to happen.	<ul style="list-style-type: none"> <li>• School took part in many activities across the year including new activities.</li> <li>• School still needs to encourage more staff to take on supportive roles.</li> </ul>
Visits to local sports clubs and venues – transport costs	Children experience the chance to visit local clubs. Aim is to widen the outlook of pupils by looking at a wide range to hopefully encourage participation.	<ul style="list-style-type: none"> <li>• School has taken part in opportunities to experience local stadium and facilities – e.g. Pirelli Stadium, St Georges Park</li> </ul>

### How the funding will be spent. Impact – (How we will measure outcomes?)

Over the year the PE co-ordinator and SLT (Senior Leadership Team) will carry out regular reviews on progress and continued audits of need. The Governing Body have identified a link governor who will monitor and support this process on a termly basis.

Individual pupils, year groups or targeted groups who **may** be targeted for specific intervention will be identified at the start of the year and reviewed as the year progresses.

Teaching staff will be audited to identify training needs and requirements. A plan to address these and other future needs will be prepared.

The funding enables our school to instigate new activities and to take part in initiatives that, as a school, we would otherwise be unable to. However the school continues to maintain its work in promoting a healthy, active lifestyle and a lifelong love of physical activity. It is hoped that this ethos stays with the children throughout all their lives.

### 2016/2017 How the funding will be spent and what will be the impact – How we will measure outcomes?

Initiative	Expected outcomes	Expected Cost -approx	Impact – how will this be measured
Partnership with other agencies	School to benefit from advice, guidance and development opportunities from the School Games Organiser. Strong links with Burton Albion Football club to enhance all round provision.	£2000	Increased awareness of school and national initiatives. Access to high quality CPD Opportunities to extend breadth of provision in school.
Partnership with other schools	PE subject leader to attend meetings organised by the Burton Co-operative Learning Trust.	£500	Networking and sharing of experience and expertise. Increased participation

	PE subject leader to attend meetings organised by the Dove Valley Sports association.		opportunities for all children to be established including competitive fixtures.
Increase of after school clubs and provision	More opportunities to be made available for children to attend after school clubs. Look at arrangements with other external providers to offer opportunities on all evenings. New opportunities to target non-team playing members as well as widening the range of activities on offer.	£1500	Nurture a lifelong participation in physical activity and sport. Provide opportunities for children to experience a wide range of activities.
Development of curriculum provision	Partnership with local school to enable pupils to have experience of Forest School approach	£1500	The curriculum provided to enhance provision, especially around outdoor and adventurous activities.
Leadership training for pupils	Further train and develop lunchtime play leaders. Develop a sports council who will organise meetings and run a budget in order to support the development of sport in our school.	£250 – equipment and kit only	Children to gain leadership skills and the confidence that delivering these develops. Children recognise that participation in sport can be via a range of pathways.
More competitive sport opportunities	Aim is to ensure that more children participate in competitive matches, fixtures and events. Increased range of competitions to enable this to happen.	£500 - transport	School to improve data collection around sport and participation to be able to measure involvement and opportunities.
Visits to local sports clubs and venues.	Children experience the chance to visit local clubs. Aim is to widen the outlook of pupils by looking at a wide range to hopefully encourage participation.	£1000	Individuals to be inspired to take up a sport or increase participation.
Data Collection	School to develop data collection around sport and participation to be able to measure involvement and opportunities.	£500 – supply costs	Data to show areas of strength and weakness in terms of sports participation and this to be used in action planning. Data to be shared with governors.
